To Whom it may concern,

**RE: George Apostolidis of L.G.A Home Builders Pty. Ltd.**

We write to confirm that we have known George Apostolidis of L.G.A Home Builders for over eight years.

We have worked together at a professional level on many projects where George was in charge of construction.

In terms of construction we have found George's work to be of a high standard and in many cases exceptional. He is very knowledgeable when it comes to construction processes and materials.

On a personal basis we have found George to be of an honourable nature and good character.
