

To Whom it May Concern,

28 March 2012

I have known George Apostolidis in a variety of capacities for many years. I first met George through our interest in soccer and we became team mates and friends many years ago. He has recently fulfilled the role of Team Manager and Coach at our soccer club. He has also assisted me with various projects as a carpenter/builder over the years.

George is currently managing an extension/renovation to our existing residence at 16 Woolton Avenue, Thornbury. He has managed our project successfully and my wife and I are extremely happy with the results and with George's commitment and professionalism.

George is organised, efficient and extremely competent and has an excellent rapport with people of all ages. He has great people skills and great communication skills and is always willing to listen and help others where he can. I have found him to be a man of integrity and honesty and someone I can always trust and depend on if required.

If you have any questions or need to verify any of the above, please don't hesitate to call me.

Yours sincerely,

Nick Matsas
